Our Mission

The Mission of the Goshen Elementary PTO is to enhance the educational programs, teaching and student experiences through volunteering and fundraising.

The PTO promotes open communication and cooperation between teachers, parents and the school community.

Welcome PTO Member!

Did you know that simply having your child at Goshen Elementary you are already a member of the PTO? As parents in this educational community, we share a common goal with our teachers – to ensure our children have the best, most effective and fun learning environment possible.

To provide these opportunities, the PTO works to support the school through fundraisers and through the time and talent of volunteers for committees such as:

- Assemblies
- Book Fair
- Box Tops
- Classroom Parties
- Fall Festival
- Foreign Language
- Media Center Support
- Rewards Programs
- Skate Night
- Sprit Wear
- Teacher Appreciation
- Yearbook
- And much, much more!

Support the PTO & the School...

Become a Volunteer

There are many different ways that you can help support our children and their educators at Goshen Elementary. And by doing so, you are:

- Enriching your own experience as a parent.
- Forming friendships with other parents and guardians
- Getting to know the teachers and staff at the school
- Sharing your child's time and experiences at Goshen Elementary

We offer a variety of volunteer opportunities that are designed to fit any schedule - at school or at home - during the day or after work!

To ensure the success of our PTO We need your help!

For more information on the many ways you can volunteer, contact a PTO member today.
